BIG DATA AND ANALYTICS SESSION AT RIMS 2019 ANNUAL CONFERENCE &
EXHIBITION**

***More Than 10,000 Global Risk Professionals to Convene at Industry Leading Event on
April 28 – May 1 in Boston***

20 February 2019 – Andrew Slevin, Chief Executive Officer at John Foord (Asia) Pte Ltd has been selected to present [at RIMS 2019 Annual Conference & Exhibition](#), the premier risk management and insurance conference. Andrew Slevin will lead a discussion titled, “Assessing replacement costs using big data and analytics” that will explore how data analytics can ease owner anxiety by allowing elimination of inspections across the whole portfolio by focusing valuers on key areas of concern. The educational session is scheduled for Saturday, 29 April 2019 at Global Studio Booth 799 between 11:40 AM – 12:00 PM.

Andrew is a Fellow of the Royal Institution of Chartered Surveyors and a member of the Hong Kong Institute of Surveyors. With 30 years’ experience in asset valuations, he has worked on projects in over 50 countries. As well as managing day to day operations, Andrew leads the Data Analytics program in John Foord.

RIMS 2019 Annual Conference & Exhibition is a four-day conference scheduled for April 28th - May 1st at the Boston Convention & Exhibition Center. The event is renowned for its unmatched networking opportunities, a wide-selection of educational sessions and hosts more than 400 exhibitors. Annually, the conference draws approximately 10,000 risk and insurance professionals from more than 70 countries.
